Main Log In Screen

This is what you will see when you first log-in to Seazona.

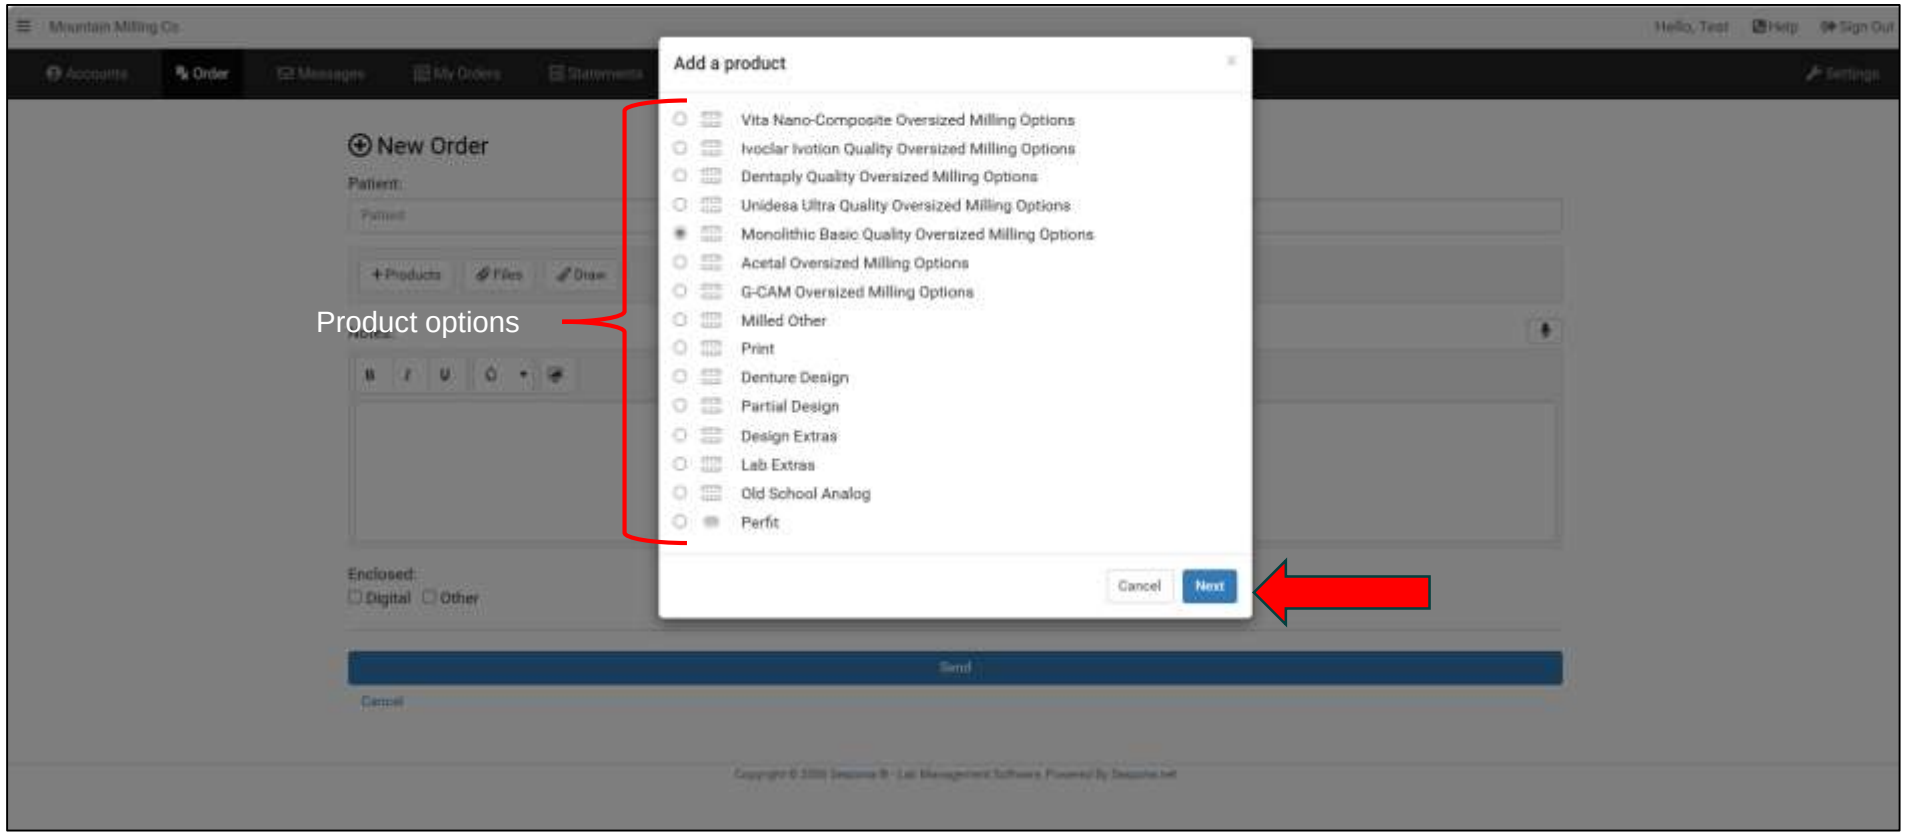

To enter a new order, click on New Order which will take you to the next screen.

Entering a New Order

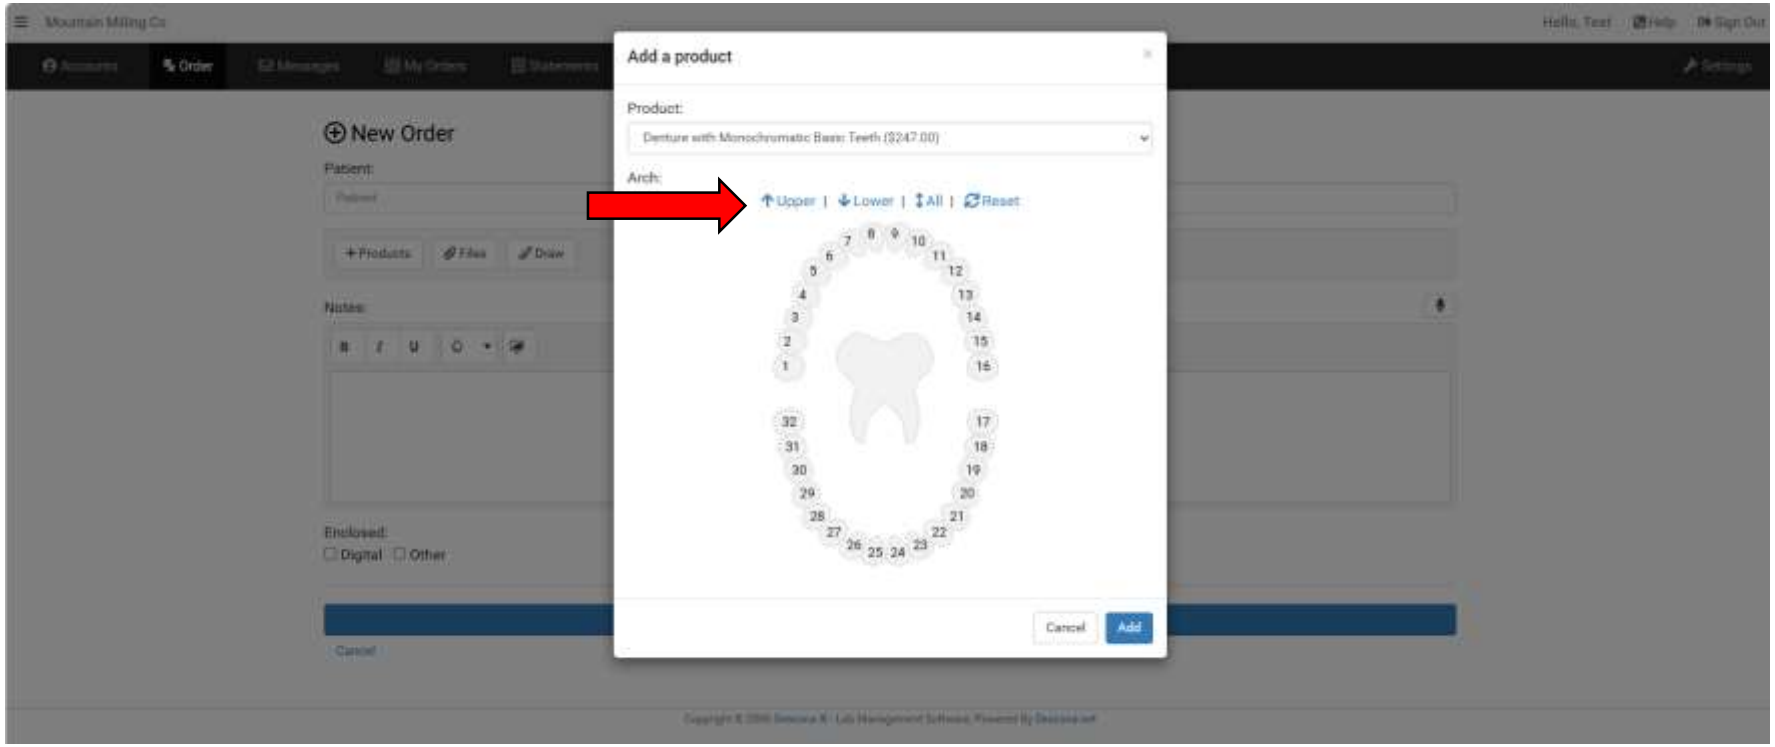

Please enter patients name and then hit the + Products button.

Products Screen

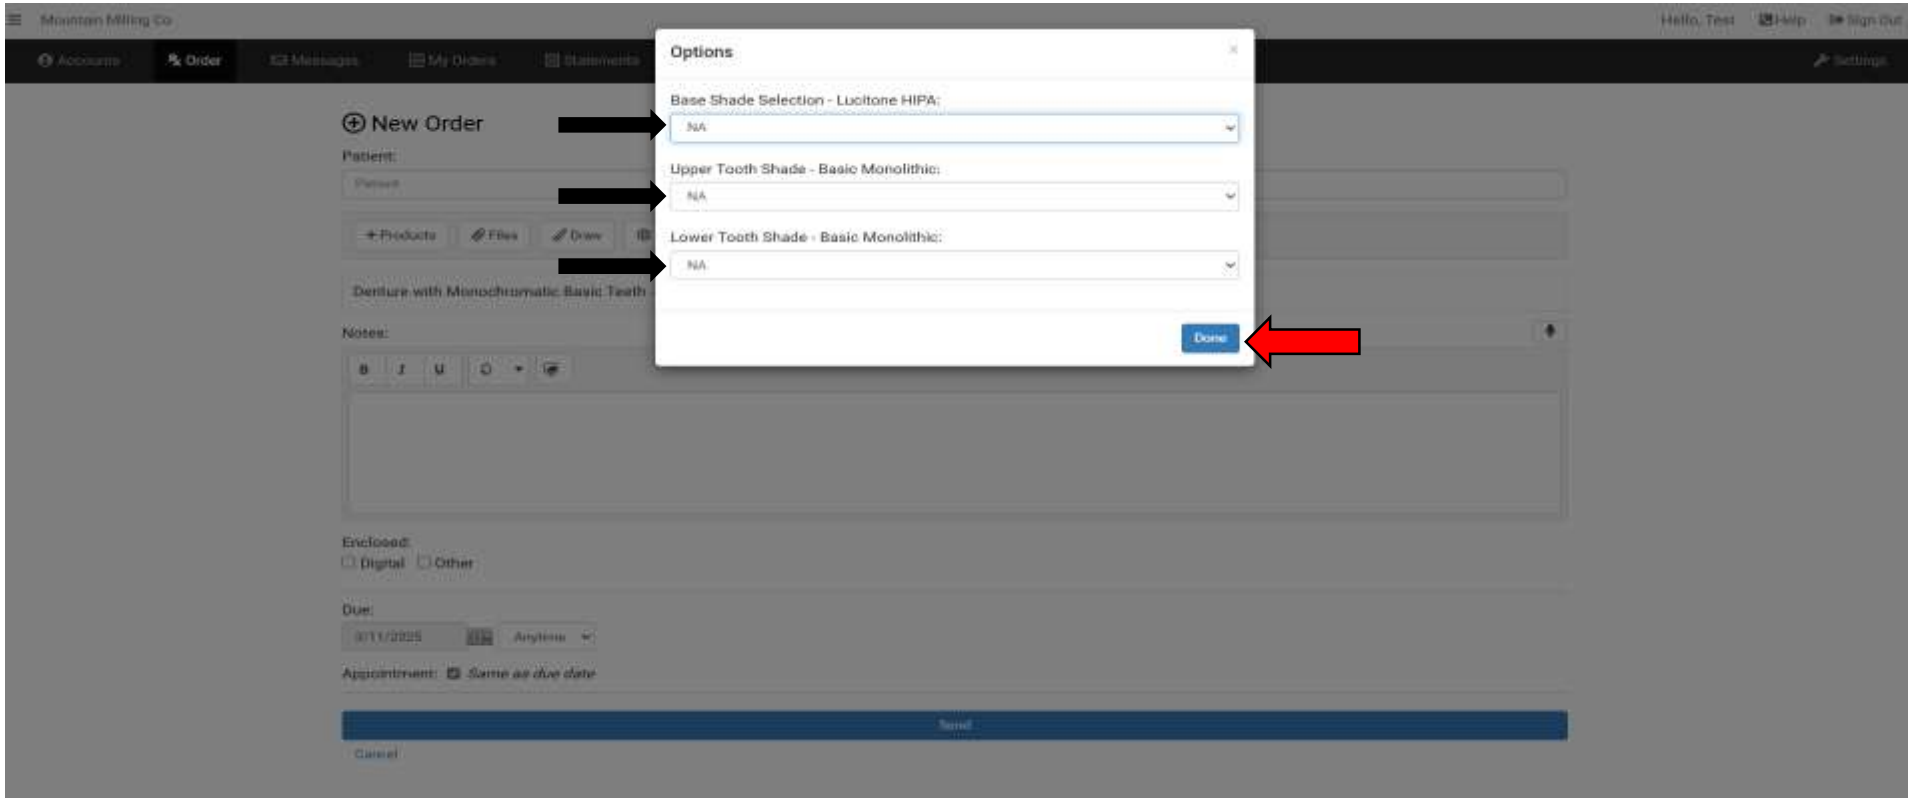

Select the product you are wanting then click next.
If you have questions about our products, please call us.
We are glad to help.

Arch Selection

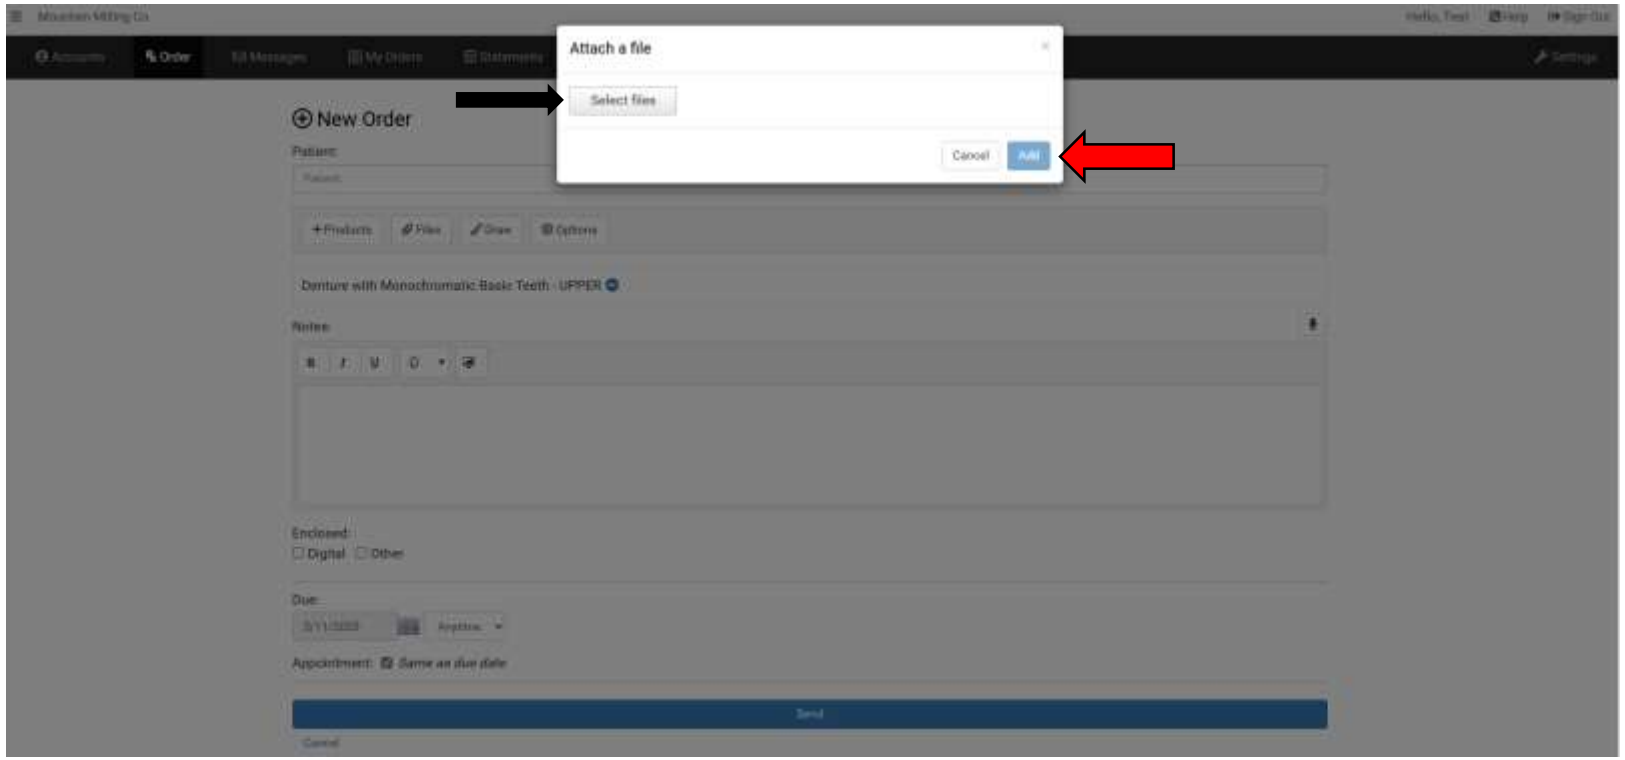

For all products you will need to enter either upper arch, lower arch or both.
You can enter base shade and tooth shade under the options screen.

Base and Tooth Shade

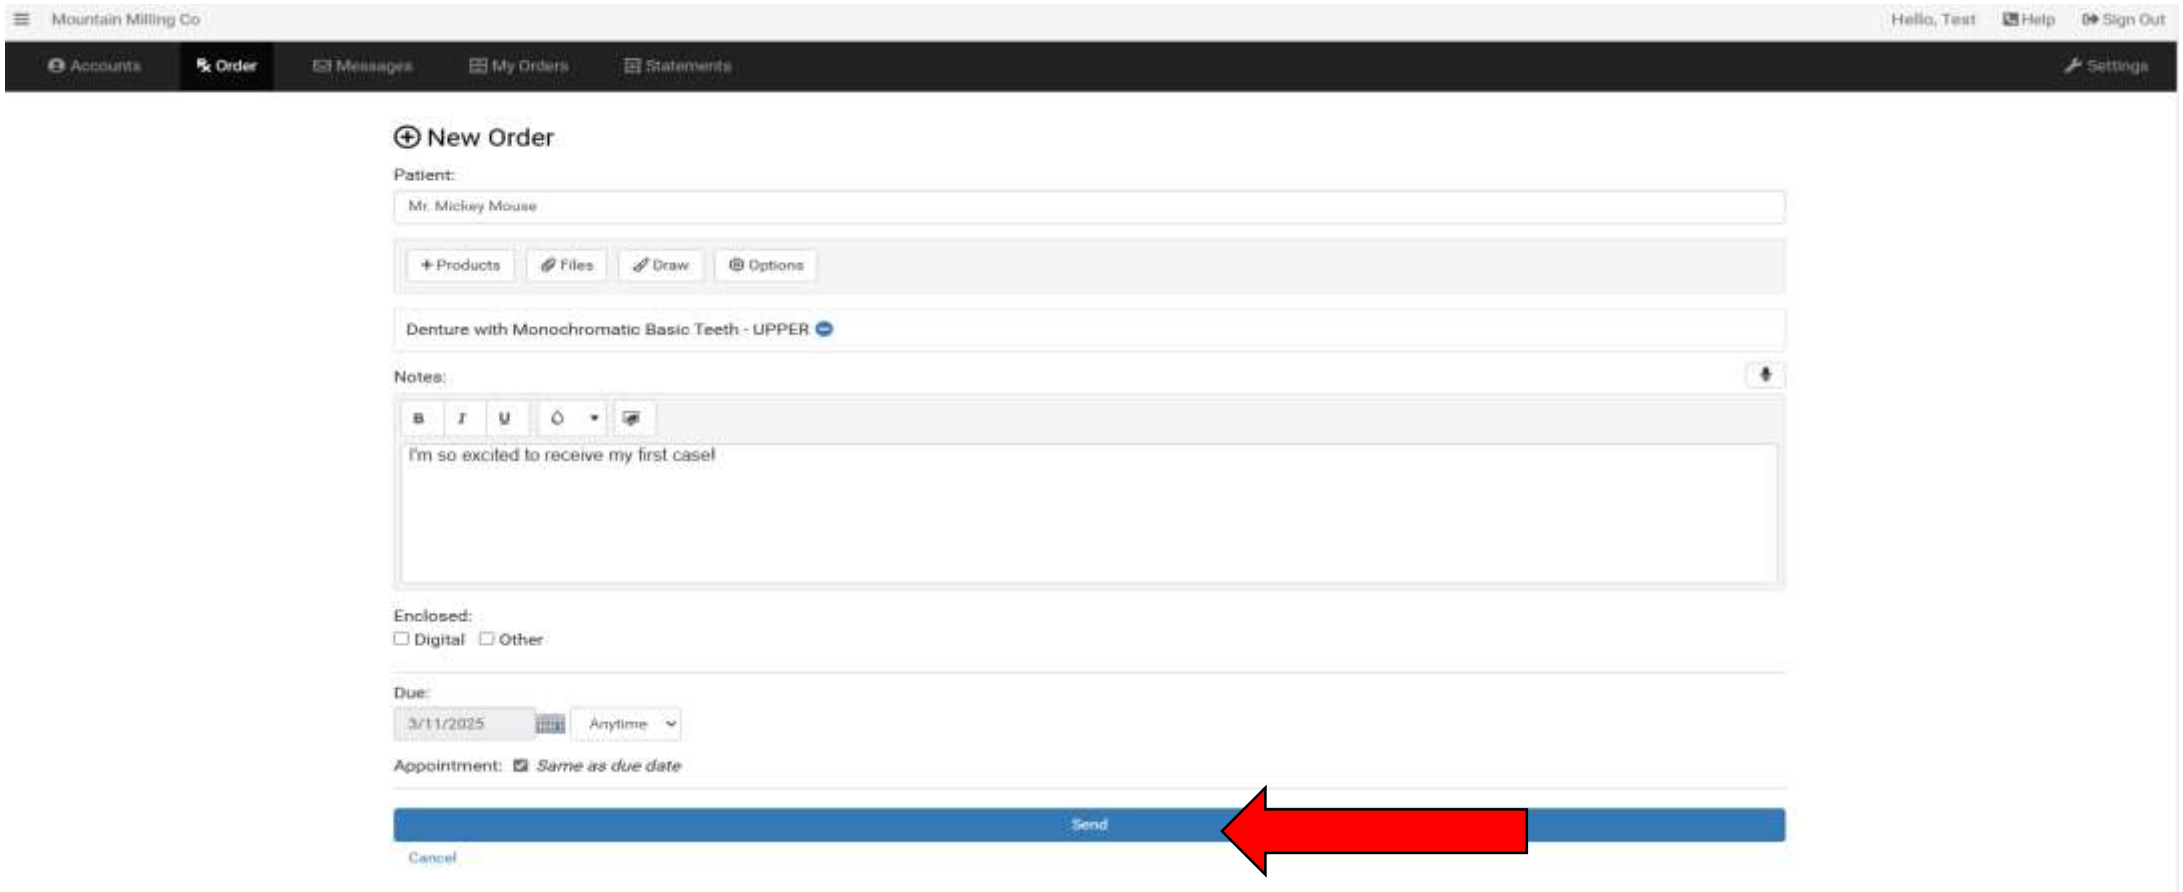

Please select base shade and tooth shade.
You have the option to select different tooth shades for each arch if you so choose.
Hit the done button once everything has been selected.

Adding Files

To attach files please select the files button on the main new order screen.
The following pop up will appear when you do.
Hit select files and you can select the files to upload.
Hit add once you have selected all the files you need to attach.

Order Information Completed

You can enter any notes you have for us under the notes section.
The appointment date will default one week out but you can select a later date.
Please see pricesheet for turnaround times.
Please make sure everything is filled out correctly then hit the send button.

Order Entered Successfully

Once you hit the send button you should see this screen.
If something looks incorrect call us or send us a message and we can correct it for you.

My Orders

This screen allows you to check the status of all your orders as well as shipping information.
